

Everlasting Love, God's Greatest Gift reveals the love of the Father for His children. From the beginning of Creation, God fashioned the heavens and the earth for you with an enduring and *everlasting love*, never forgotten or forsaken. Mercy, grace, faith, blessings, promises, gifts, and supernatural power abound to the faithful children of the Almighty King. We are sons and daughters, heirs in Christ within the Kingdom of Heaven with the privilege to come before the throne of our Lord.

Everlasting Love, God's Greatest Gift presents an intimate journey into the trinity of God as the Father, the Son, and the Holy Ghost; the trinity of man created with a spirit, soul, and body; and the Kingdom of Heaven which functions with mercy, grace, and faith.

We obtain a life-altering makeover through the blood of Christ and given the gift of faith to unlock the mysteries of God's Kingdom that we may obtain His dunamis power to defeat fear, anxiety, depression, confusion, illness, disease, heartache, financial disparity, and addictions. God intends for His children to overcome and triumph in any adversity and be set free from whatever holds you captive as the result of living in a fallen world.

Take the key of faith, place it in the Kingdom lock, and turn to the truth in His Word to open a new beginning in your life today. Live as a rightful heir of the Almighty King of the Kingdom of Heaven, secure and sealed in the Father's *Everlasting Love*.

*You will always be a child in my eyes,
When you need some love, my arms are open wide.
And when you are growing old, I hope you realize,
You will always be a child in my eyes.*
