

*Fervent Prayer* gives insight to the most frequently asked question among Christians today. When we pray and an answer doesn't seem to be forthcoming, what has happened? Rather than accept a humanistic inclination that God is withholding; perhaps, we should turn inward to search the answer. Are we unknowingly blocking His supernatural power from entering our earthen circumstance? God does not withhold His blessings from His children, but has given the keys to His Kingdom to unlock heavenly treasures and receive His promises. *And I will give unto you the keys of the kingdom of heaven: and whatsoever thou shalt bind on earth shall be bound in heaven: and whatsoever thou shalt loose on earth shall be loosed in heaven.* Matthew 16:19

Our heavenly Father knows of our prayer before we utter the first word; therefore, praying is for our benefit showing our position of faith and trust, whereby the one *fervent prayer* releases Kingdom power. Though righteous in Christ, are we sabotaging our relationship with God? Is our faith based on the law or grace? Is our belief tainted with unbelief? Is our communication a pleading prayer, or one of thanksgiving and praise knowing our answer is provided? These are some of the questions that are answered in *Fervent Prayer*. In revealing the hinderances that can obstruct receiving, we witness the power of a *fervent prayer*.

*The effectual fervent prayer  
of a righteous man availeth much.*

James 5:16
